# NOEL KIVELÄ

SOFTWARE ENGINEER

I am Noel, an energetic 18-year-old from Hervanta, looking for opportunities to work. I am a versatile employee with some experience in various types of jobs. In my free time, I enjoy going to the gym and cooking.

## Experience

### Internship *Crowdsorsa*

2024

- Work-based learning period, winter 2024
- Helped the software engineering team on a mobile app and a web based dashboard for clients

### Summer job

2023

#### *Pirkanmaan hyvinvointialue*

- Service for the elderly and disabled
- My responsibilities included assisting clients with outdoor activities, supporting meal service and kitchen tasks, spending time with clients, and organizing activities. I carried out these responsibilities effectively and reliably.

## Education

### Vocational Qualification in Information and Communications Technology (Software Developer)

2023–Present

Tredu – Hepolamminkatu campus

## Skill

Programming

Video editing

Basic IT-Support Skills

Team communication skills
